## 8 Digital Ways to Monetize your Shorts

### Festival Label DVD

The ever growing DVD market combined with new business models like rental (Netflixs, ...), membership clubs, new online shops and recommendation tools (see Long Tail article of Wired magazine) open new markets for Shorts.  
Shorts compliations will grow big. □  
Festival label adds value.  
Be there

### Featured companies :

FilmMovement DVD Club offering independent, foreign films and films from festivals  
Fast Track: film school international competition, traveling festivals

**Licence your digital rights to [Filmfestivals.com](http://Filmfestivals.com) for revenues and promotion.**
