**This announcement section: the bulletin board** was created in 2001 (6 years after our launch in Cannes 1995) and quite rapidly became a reputed stop for filmmakers in search of festivals best suited to their film and for festival directors to receive an increased number of film submissions from around the world. The bulletin board is located at <http://www.filmfestivalspro.com/bulletin/index.shtml> and is accessible from every page of our website. This single page alone generates above 15 000 filmmaker visits every month. Our festival clients come back every year as a proof of fantastic return on their investment

**Below are details on the Bulletin Board service.**

The basic cost of our posting your Bulletin Board web page presentation is only € 500. Other services are recommended to serve larger ambitions.

We will expose and multiply thus your links to your particular details to make them more popular, for all cinema professionals to see world-wide.

You will note it plugs our partners on the Bulletin Board and follows up till their happenings.
